It is always good to have club support and have members sitting together to show their support for the club.

TRACKSUITS

By now everyone who has ordered and paid for their new tracksuits will have received them. I am certainly looking forward to seeing all that blue and white support group at the coming competitions.

PRACTICE SCHEDULES

ALL JUNIOR CLASSES ARE ASKED TO MAKE A SPECIAL EFFORT TO ATTEND THEIR 2 LESSONS PER WEEK in preparation for the competitions.

In the Ladies and Senior classes I do my best to accommodate all requests but sometimes it is impossible and you may need to be a little flexible.

Please check the schedule regularly to be sure you don't miss your practice. Be sure to write your name on the sheets if you are NOT ATTENDING the practice.

Changes may occur when not enough team members are attending a practice.

Remember all extra lessons must be paid on attendance.

PHOTOS

Still need any of those fun photos taken at the interclub or football and the coming zone competitions. They don't need to be posed, natural and fun are better.

FUN FUN FUN

The best night of the social calendar is here again. We are heading to Gemelles' Italian Restaurant on Friday 26th September. All mothers, grandmothers of club members as well as our ladies and senior classes are most welcome to the night of getting to know each other in a more relaxed atmosphere. Please complete the form available from Mrs Phillemore and return promptly to ensure your place on the night.

IT'S A BOY!

Congratulations to Peta & Lee Crozier on the birth of their son
